

# Daily Statement of the United States Treasury

## MARCH 31, 1955

Under Regulations contained in Treasury Department Circular 940, effective February 17, 1954, changing the basis for reporting in the Daily Treasury Statement, this statement shows cash deposits and withdrawals as they affect the account of the Treasurer of the United States. Receipts and expenditures of the U. S. Government on a budgetary basis showing surplus or deficit, previously shown daily are now reported separately, once a month, with the mid-month issue of the Daily Treasury Statement.

<sup>1</sup> Does not include accrued interest except with respect to contingent liabilities.

<sup>2</sup> Payable 3 years after the first day of July following the maturity date of the mortgage for which each debenture was issued.

<sup>3</sup> Redeemable on any interest day or days, on 3 months' notice.

<sup>4</sup> Funds have been deposited with the Treasurer of the United States for payment of outstanding matured principal and interest obligations guaranteed by the United States.

<sup>5</sup> Does not include contingent liability on guaranteed and insured loans to veterans which, as of June 30, 1954, amounted to \$9,618,000,000; contingent liability on war production and contract termination guaranteed loans of the Department of the Army which as of March 31, 1955, amounted to \$477,592.06; and contingent liability on loans guaranteed by various agencies through the Federal Reserve banks pursuant to Defense Production Act of 1950, which as of February 28, 1955, amounted to \$333,716,958.07.

<sup>6</sup> The faith of the United States is solemnly pledged to the payment of the deposits made in Postal Savings depository offices, with accrued interest thereon.

<sup>7</sup> Interest payable quarterly from first day of month next following the date of deposit.

<sup>8</sup> Figures are as of October 31, 1954, the latest available. Offset by cash in designated depository banks amounting to \$30,602,012.32, which is secured by the pledge of collateral as provided in the Regulation of the Postal Savings System, having a face value of \$30,706,350; Government securities with a face value of \$2,162,302,740; and cash in possession of System and other net assets of \$83,620,294.98.

<sup>9</sup> Figures are as of February 28, 1955, the latest available. Offset by Government securities with a face value of \$7,100,000; and other assets.

<sup>10</sup> Federal Reserve notes are obligations of the United States and shall be receivable by all national and member banks and Federal Reserve banks and for all taxes, customs, and other public dues. They are redeemable in lawful money on demand at the Treasury Department, in the city of Washington, District of Columbia, or at any Federal Reserve bank.

<sup>11</sup> Figures are as of February 28, 1955, the latest available. In actual circulation, exclusive of \$857,765,211.68 redemption fund deposited in the Treasury and \$980,959,435 of their own Federal Reserve notes held by the issuing banks. The collateral security for Federal Reserve notes issued consists of \$11,208,000,000 in gold certificates and in credits with the Treasurer of the United States payable in gold certificates \$17,065,000,000 face amount of United States Government securities.

\$152,586,000 face amount of commercial paper. Notes issued by a Federal Reserve bank are a first lien against the assets of such bank.

On the formalizing of an agreement between the Secretary of the Treasury and the Saint Lawrence Seaway Development Corporation these bonds will be exchanged for ones setting out terms and rates of interest.

<sup>1</sup>Has not been reduced to reflect repayment of principal included in payment made December 31, 1954, amounting to \$52,450,321.94, the principal portion of which will be reflected in subsequent statements when disposition has been made.

#### TAX STATUS:

<sup>2</sup>The National Housing Act as amended by the National Housing Act Amendments of 1938, approved February 3, 1938, reads in part as follows:

"Such debentures as are issued in exchange for property covered by mortgages insured under section 203 or section 207 prior to the date of enactment of the National Housing Act Amendments of 1938 shall be subject only to such Federal, State, and local taxes as the mortgages in exchange for which they are issued would be subject to in the hands of the owner of the debentures. \* \* \* Such debentures as are issued in exchange

for property covered by mortgages insured after the date of enactment of the National Housing Act Amendment of 1938 shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by the United States, by any Territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority." Under the Public Debt Act of 1941, interest upon and gain from the sale of debentures shall have no exemption under the Internal Revenue Code or laws amendatory or supplementary thereto, except such debentures as may be issued on contracts entered into prior to March 1, 1941.

<sup>3</sup>Income derived from these securities is subject to all taxes, now or hereafter imposed under the Internal Revenue Code or laws amendatory or supplementary thereto. The securities are subject to surtaxes, estate, inheritance, gift, or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, municipality, or local taxing authority.

<sup>4</sup>Under the Public Debt Act of 1941, income derived from deposits made subsequent to March 1, 1941, is subject to all taxes, now or hereafter imposed under the Internal Revenue Code or laws amendatory or supplementary thereto.

<sup>4</sup>Represents the lowest point of the debt at the end of any month following World War II. The lowest point of the debt on any day following that war was on June 27, 1949, when the debt was as follows:

Direct debt (gross).....	\$251,245,889,059.02
Guaranteed debt (not including obligations owned by the Treasury).....	23,876,001.12
Total direct and guaranteed debt.....	251,269,765,060.14

<sup>1</sup> Redeemable at the option of the United States on and after dates indicated, except where otherwise stated. In case of Treasury bonds and Treasury bonds, Investment Series B-1975-80, now outstanding, such bonds may be redeemed only on interest dates, and 4 months' notice of redemption must be given.

<sup>2</sup> Treasury bills are non-interest-bearing and are sold on a discount basis with competitive bids for each issue. The average sale price of these series gives an approximate yield on a bank discount basis (360 days a year) as above indicated. This yield differs slightly from the yield on a true discount basis (365 days a year) which is shown in the summary on page 5.

<sup>3</sup> Includes exchanges made by the Federal Reserve System of \$1,000,000,000 of Treasury bonds, Investment Series B-1975-80 for Treasury Notes of Series EA-1956, \$500,000,000 each for Treasury Notes of Series EO-1956 and EA-1957, and \$713,848,000 for Treasury Notes of Series EO-1957.

<sup>4</sup> Arranged according to earliest call dates.

<sup>5</sup> Redeemable, at par and accrued interest, to date of payment, at any time upon the death of the owner at the option of the duly constituted representative of the deceased owner's estate, provided entire proceeds of redemption are applied to payment of Federal estate taxes due from deceased owner's estate.

<sup>6</sup> The face value of United States savings bonds of Series F or G and Treasury Savings Notes of any yearly series maturing from month to month which are not currently presented for retirement will continue to be reflected as interest-bearing debt until all the bonds or notes of the series have matured. Thereafter, the total amount outstanding is reflected as matured debt on which interest has ceased.

<sup>7</sup> Approximate yield if held to maturity.

<sup>8</sup> Redeemable in payment of Federal income, estate, or gift taxes at any time after 2 months from issue date. Redeemable for cash at option of owner at any time after 4 months from issue date.

<sup>9</sup> Interest is payable with principal at time of redemption. No interest is payable if note is inscribed in the name of a bank that accepts demand deposits, unless note is acquired by such bank through forfeiture of a loan.

<sup>10</sup> Amounts issued and retired for Series E, F, and J include accrued discount; amounts outstanding are stated at current redemption values. Amounts issued, retired, and outstanding for Series G, H, and K are stated at par value.

<sup>11</sup> Approximate yield if held from issue date to end of 10-year extension period.

<sup>12</sup> If held from issue date to end of 10-year extension period, bonds of this series dated January 1, 1942, through April 1, 1942, yield approximately 2.9 percent and those dated May 1, 1942, through December 1, 1942, yield approximately 2.95 percent.

<sup>13</sup> Matured bonds of this series yield approximately 2.95 percent if held from issue date to end of 10-year extension period, and unmatured bonds of this series yield approximately 2.9 percent if held to maturity.

<sup>14</sup> Owners have the option of retaining the matured bonds for a further 10-year period and earning interest upon maturity values thereof. During this additional 10-year period interest on bonds bearing issue dates of May 1, 1941, through April 1, 1942, will accrue at the rate of 2½ percent simple interest each year for the first 7½ years, and then increase for the remaining 2½ years to bring the aggregate interest return to approximately 2.9 percent, compounded semiannually. On bonds bearing issue date of May 1, 1942, and subsequent dates, interest will accrue after maturity at the rate of approximately 3 percent per annum, compounded semiannually, for each half-year period of the extension period. Matured Series E bonds in amounts of \$500 (maturity value), or multiples thereof, may be exchanged for Series K bonds (Treasury Department Circular 906, April 29, 1952).

<sup>15</sup> Excess of redemptions, not yet classified by yearly series, deduct.

<sup>16</sup> May be exchanged at option of owner for marketable 1½ percent 5-year Treasury notes, dated Apr. 1 and Oct. 1 next preceding the date of exchange.

<sup>17</sup> Issued pursuant to the provisions of the Bretton Woods Agreements Act, approved July 31, 1945, and under the authority of and subject to the provisions of the Second Liberty Bond Act, as amended. The notes are non-negotiable, bear no interest, and are payable on demand.

<sup>18</sup> Issued under the authority of and subject to the provisions of the Second Liberty Bond Act, as amended, and sections 780 to 783, inclusive, of the Internal Revenue Code, as amended. Issued in series depending upon the tax years for which credits are available and in amounts certified

to the Secretary of the Treasury by the Commissioner of Internal Revenue. Bear no interest and mature at yearly intervals after the cessation of hostilities, as provided by Section 780 (e) of the Internal Revenue Code, as amended, and are redeemable at the option of the owner on or after January 1, 1946.

<sup>19</sup> The items not subject to the statutory debt limitation are keyed to this footnote and consist of (a) Panama Canal and Postal Savings bonds; (b) certain matured debt; and (c) certain debt bearing no interest.

<sup>20</sup> Statutory debt limit of \$275,000,000,000 has been temporarily increased by Act approved August 28, 1954 to \$281,000,000,000 until June 30, 1955.

<sup>21</sup> Revised

#### AUTHORIZING ACTS:

<sup>a</sup> Sept. 24, 1917, as amended.

<sup>b</sup> Aug. 5, 1909, Feb. 4, 1910, and Mar. 2, 1911.

<sup>c</sup> June 25, 1910.

#### TAX STATUS:

<sup>d</sup> Any income derived from Treasury bills of this issue, whether interest or gain from their sale or other disposition does not have any exemption, as such, and loss from the sale or other disposition of any such bills does not have any special treatment, as such, under the Internal Revenue Code or laws amendatory or supplementary thereto. The bills are subject to estate, inheritance, gift, or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority. For purposes of taxation the amount of discount at which the bills are originally sold by the United States is to be considered to be interest.

<sup>e</sup> Income derived from these securities is subject to all taxes now or hereafter imposed under the Internal Revenue Code or laws amendatory or supplementary thereto. The securities are subject to estate, inheritance, gift, or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority. The following is applicable to savings bonds only: For the purposes of taxation any increment in value of savings bonds represented by the difference between the price paid and the redemption value received (whether at or before maturity) shall be considered as interest.

Attention is invited to Treasury Decision 4550 ruling that bonds, notes, bills, and certificates of indebtedness of the Federal Government or its agencies, and the interest thereon, are not exempt from the gift tax.

<sup>f</sup> Exempt both as to principal and interest, from all taxation now or hereafter imposed by the United States, any State, or any of the possessions of the United States, or by any local taxing authority, except (a) estate or inheritance taxes, and (b) graduated additional income taxes, commonly known as surtaxes, and excess profits and war-profits taxes, now or hereafter imposed by the United States, upon the income or profits of individuals, partnerships, associations, or corporations. The interest on an amount of bonds authorized by the act approved Sept. 24, 1917, as amended, the principal of which does not exceed in the aggregate \$5,000 owned by any individual, partnership, association, or corporation, shall be exempt from the taxes provided for in clause (b) above.

<sup>g</sup> Exempt from the payment of all taxes or duties of the United States as well as from all taxation in any form by or under State, municipal, or local authority. (The Supreme Court has held that this exemption does not extend to estate or inheritance taxes, imposed by Federal or State authority.)

<sup>h</sup> These issues being investments of various Government funds and payable only for the account of such funds have no present tax liability.

*In hands of foreign holders -- Applicable only to securities issued prior to Mar. 1, 1941: Bonds, notes, and certificates of indebtedness of the United States, shall, while beneficially owned by a nonresident alien individual, or a foreign corporation, partnership, or association, not engaged in business in the United States, be exempt both as to principal and interest from any and all taxation now or hereafter imposed by the United States, any State, or any of the possessions of the United States, or by any local taxing authority.*
