AUTHORIZING ACTS

¹All interest-bearing debt was authorized by the Second Liberty Bond Act, as amended and Federal Financing Bank Act.

²Issued pursuant to Sec. 832(e), Internal Revenue Code of 1954.

³Issued pursuant to Secs. 780-783, incl., Internal Revenue Code of 1939.

TAX STATUS

¹Bills are not considered capital assets under the Internal Revenue Code of 1954. The difference between the price paid for the bills and the amount actually received upon their sale or redemption at maturity for Federal income tax purposes is to be treated as an ordinary gain or loss for the taxable year in which the transaction occurs.

²Income derived from these securities is subject to all taxes now or hereafter imposed under the Internal Revenue Code of 1954.

³Where these securities were issued wholly or partly in connection with advance refunding exchanges, the Secretary of the Treasury has in some instances declared, pursuant to Section 1037(a) of the Internal Revenue Code of 1954, that any gain or loss on the securities surrendered will be taken into account for Federal income tax purposes upon disposition or redemption of the (new) securities. For those unmatured issues included in advance refundings with deferral of recognition of gain or loss see Table 5, Public Debt Operations, August 1967 through December 1970 issues, of the monthly Treasury Bulletin or Table 29 of the statistical appendix to the Secretary's Annual Report for the fiscal year ended June 30, 1973.

⁴Where this security was issued in connection with the advance refunding exchange, the Secretary of the Treasury has declared, pursuant to Section 1037(a) of the Internal Revenue Code of 1954, that any gain or loss on account of the exchange may be taken into account for Federal income tax purposes either in the taxable year of the exchange or (except to the extent that cash was received) in the taxable year of disposition or redemption of the securities received in the exchange. Any gain to the extent that cash was received by the subscriber (other than an interest adjustment) must be recognized in the year of the exchange. For those securities included in the advance refunding see Table PD0-7 of the monthly Treasury Bulletin beginning with the February 1972 issue.

⁵These securities are exempt from all taxation now or hereafter imposed on the principal by any state or any possession of the United States or of any local taxing authority.
